To subscribe to Online Banking, you must maintain at least one deposit Account with the Bank. Online Banking will allow you to access your Accounts, to view Account balance(s) and transaction information, transfer funds among designated Accounts, send electronic mail to the Bank, and receive electronic mail from the Bank. The Bank reserves the right to deny the Customer the ability to access Online Banking, to limit access or transactions or to revoke a customer's access to Online Banking without advance notice to the Customer.

The Bank is entitled to act on instructions received through Online Banking under your password and without inquiring into the identity of the person using that password. You should not under any circumstances disclose your password by telephone or to anyone claiming to represent the Bank; *Peoples Bank of Graceville* employees do not need and should not ask for your password. You are liable for all transactions made or authorized using your password. The Bank has no responsibility in establishing the identity of any person using your password. If, despite the Bank's advice, you give your password to anyone, you do so at your own risk since anyone to whom you give your password or other means of access will have full access to your account(s) even if you attempt to limit that person's authority. You must contact the Bank immediately in the event that your password has been lost, stolen or otherwise compromised so that it will not be honored and can be disabled. You hereby release the Bank from any

liability and agree not to make any claim or bring any action against the Bank for honoring or allowing any actions or transactions where you have authorized the person performing the actions or transactions to use your account(s) and/or you have given your password to such person, or, in the case of a jointly held account, such person is one of the Account owners. Account information displayed through Online Banking is current information. Funds transfers between Account(s) initiated on your computer using Online Banking and received by the Bank by 4:00pm CST Monday through Friday will be effective on the current business day. Funds transfers processed on your computer using Online Banking and received after 4:00pm CST Monday through Friday or all day Saturday, Sunday and banking holidays will be effective the following business day.

Some of the terms set forth below are governed by the Electronic Funds Transfer Act ("EFT Act"), which is only applicable to consumers. Commercial Account holders are not entitled to the rights provided under the EFT Act.

If you believe unauthorized transactions are being made from your Account, please notify the Bank immediately. Contact *Peoples Bank of Graceville* 850-263-3267 or write the Bank at: *PO Box 596 Graceville, FL 32440*.

You shall be responsible for all transfers you authorize through Online Banking. You shall also be responsible for all transactions initiated by persons to whom you have given your password. You must report to the Bank AT ONCE if the password has been lost or stolen. Telephoning is the best way of minimizing possible losses. Failure to notify the Bank could result in the loss of all money in your Account plus your maximum line of credit, if you have one. If you report to the Bank within two (2) business days, the loss sustained by you will be no more than \$50 if your password is used without your permission. If you do not report to the Bank within two (2) business days after learning of the loss or theft of the password, and the Bank can prove that it could have prevented someone from using the password without your permission had it been notified, you could lose as much as \$500. Also, if the statement shows electronic transfers you did not make, report them to the Bank at once. If you do not tell the Bank within 60 days after the statement was mailed, you may lose all of the money transferred after the 60 days if the Bank can prove that it could have prevented the loss had you reported it promptly. The Bank may extend the time periods for a good reason, such as a long trip or hospital stay, which might keep you from notifying the Bank.

Your initial use of the Peoples Bank of Graceville Online Banking product constitutes my acceptance and agreement to be bound by all of the terms and conditions of this agreement and acknowledges my receipt and understanding of this agreement.

The Bank has the right to modify or terminate this Agreement at any time. We will comply with any notice requirements under applicable law for such changes or termination. Internet Security Information

PBG Online Banking is part of a network that utilizes a comprehensive security strategy to protect your accounts and transactions concluded over the Internet. In-depth information on many of the techniques and features employed by the system can be viewed and are explained in our PBG Online Security Statement. In addition to our login security, we use the TLS (Transport Layer Security) encryption technology for everything you do in the PBG Online Banking system. TLS is considered the most secure technology. TLS 1.20, or higher, is required to connect to our server. Whenever TLS is securing your communications, the browser will typically indicate the "secure session" by changing the appearance of a small icon of a padlock at the top of the screen from open to locked. What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the internet.

Login Security

Security is very important to Peoples Bank of Graceville. When you log in to the service for the first time, you will use your account number, Social Security Number (personal accounts) or Taxpayer Identification Number (businesses), and email address. You will then be prompted to select a new "Username" and "Password" that you are will thereafter use to gain access to your accounts. Your session time limit is limited to 60 minutes, but to help prevent unauthorized access and ensure the security of your accounts, we will end your online session if we have detected no activity for 20 minutes. This is to protect you in case you accidentally leave your computer unattended after you log on. When you return to your computer, you will be prompted to re-enter your username and password to continue. Because your password is used to access your accounts, you should treat it as you would any other sensitive personal data. You should carefully select a password that is hard to guess. Keep your password safe.

Memorize your password and never tell it to anyone. You may consider changing your password occasionally, such as every 90 days. This can be done at any time, after you are logged in, from the "Profile" menu.

Balance Inquiries, Bill Payments and Transfers

You may use PBG Online Banking to check the balance of your accounts, transfer funds between your accounts and pay bills from your eligible accounts, and transfer funds to others.

Balances in your accounts may differ from your records due to deposits in progress, outstanding checks or other withdrawals, payments or charges. If you have further questions, contact us at pbog@peoplesgraceville.com or by phone during regular business hours at 850-263-3267.

Account information displayed through Online Banking is current information. Funds transfers between Account(s) initiated on your computer using Online Banking and received by the Bank by 4:00pm CST Monday through Friday will be effective on the current business day. Funds transfers processed on your computer using Online Banking and received after 4:00pm CST Monday through Friday or all day Saturday, Sunday and banking holidays will be effective the following business day.

Transfer Types and Limitations

1. Account Access

You may use the Service to:

- Transfer funds between eligible accounts (checking, savings) on a one-time or recurring basis
- Obtain account balances
- Pay bills directly from your accounts on a one-time, fixed or variable recurring basis, in accordance with the terms of this Agreement to merchants and individuals in the US.
- Transfer funds to and from your accounts at other financial institutions
- Review transaction history
- Receive images of checks
- Send secure emails to our customer service representatives

2. Limitations on Frequency of Transfers

You may initiate an unlimited number of transfers between your eligible accounts. Applicable service charges may apply per your account agreement.

3. Limitations on Dollar Amount of Transfers/Bill Payments

Transfers between accounts at this bank are unlimited. Transfers to and from your accounts at other financial institutions will be limited to an aggregate amount of \$2000 per seven-day period.

The amount and number of bill payments from an eligible checking account is unlimited per day, if funds are available. Bill payments are paid from checking accounts only. Dual signature checking accounts may not be eligible for Bill Payment Service unless signed authorization is submitted to the bank for approval.

Special Information about E-Mail

Electronic mail to the Bank may be delayed; therefore, if you need the Bank to receive information concerning your Account immediately, you must contact the Bank in person or by telephone (i.e. stop payments, to report a lost or stolen Visa Check Card or to report unauthorized use of your Account). The Bank shall have a reasonable period of time after receipt to act on requests or information you send by electronic mail.

Generally, requests received from the system will be processed within two business days using procedures that would handle similar request received by mail or fax. If urgent action is required, we recommend that you contact Peoples Bank of Graceville directly by telephone at 850-263-3267 between 8:00am and 4:00pm Monday through Wednesday, Thursday between 8:00am and noon, and Friday between 8:00am and 5:30pm, or in person.

Bill Payment Service

The Bill Payment service lets you schedule bill payments through Online Banking and also allows you to see a history of all payments made from your accounts. You must designate a specific checking account as your bill payment account.

Accounts that require two (2) signatures for withdrawal purposes will be unable to access the Online Bill Payment Service.

You may pay any merchant or individual approved for payment by PBG for payment through Online Bill Payment Service. Online bill payments are available only to payees with a US mailing address. By furnishing us with the

names and account information of those payees to whom you wish to direct payment, you authorize us to follow the payment instructions, which you provide to us via PBG Online Banking Service for these payees. When we receive a payment instruction for the current date or future date, we will remit the funds to the payee on your behalf from your selected account on the day you have instructed them to be sent (Payment Date). We will be unable to process any payments to federal, state or local tax agencies, and any court-ordered payments such as alimony or child support.

The daily limit for the total dollars of payments approved is governed by the system's available balance in the checking account selected for making the payment. You can withdraw up to the system's available balance as long as your account shows sufficient funds to cover your payments. The payment will normally be charged to your account on the business date that it is approved as scheduled. Check payments will be processed using the US mail and will be charged to your account after your merchant or payee deposits the check.

If, for any reason, a scheduled payment processed through the system is declined, it will automatically be rescheduled for the next business day. The system will continue to attempt to pay the bill on the following business days until there are sufficient funds or you cancel or reschedule it.

Although payments may be scheduled for the current business day or any date in the future at any time, they will only be processed once a day at our cut-off time, usually around 4:00pm CST on any business day. Anything scheduled on a non-business day, or after the cut-off time, will not be sent out until the following business day.

Since we must forward the funds and billing information to the payee, some lead-time for payments is necessary. (Our system assumes the payee/vendor will promptly process the payment on the business day it is received. Any delays caused by the payee/vendor would result in additional days before the payment would show on their accounts.)

To avoid incurring a finance charge or other charges, you must schedule a payment sufficiently in advance of the due date of your payment. It is necessary that all Payment Dates selected by you be no less than five (5) full Business Days before the actual due date, not the late date and/or a date in the grace period.

Not all payees accept electronic bill payments. In the event that the payee for your scheduled payment does not accept payment via the electronic system, your payment will be made by mailing a paper check. Paper payment requires longer delivery time. Payments made by paper should be scheduled at least seven (7) full Business Days prior to the actual due date, not the late date and/or a date in the grace period. In all cases, the payment will be delivered to the payee/vendor by the tenth (10th) business day after the payment was approved.

Fee for the PBG Online Banking Service

The PBG Online Banking Service is available to our personal and business account customers at no additional monthly charge. Normal account fees apply.

Peoples Bank of Graceville ALERTS Terms and Conditions

The following Alerts terms and conditions (“Alerts Terms of Use”) only apply to the Alerts feature (as defined below). If Alerts are not available to you, then this Alerts Terms of Use does not apply. To the extent there is any conflict between the terms of the Agreement and this Alerts Terms of Use with respect to Alerts, then the terms in this Alerts Terms of Use shall apply.

Alerts. Your enrollment in Peoples Bank of Graceville Online Banking and/or Mobile Banking (the “**Service**”) includes enrollment to receive transaction alerts and notifications (“**Alerts**”). Alerts are electronic notices from us that contain transactional information about your Peoples Bank of Graceville account(s). Alerts are provided within the following categories:

- **Mandatory Alerts** provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.
- **Account Alerts** provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.
- **Additional Alerts** must be activated by you to be enabled. These Additional Alerts can be accessed from the **More menu** within Peoples Bank of Graceville Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. Peoples Bank of Graceville reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“**EndPoints**”): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your

Peoples Bank of Graceville Online Banking message in-box, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. Limitations. Peoples Bank of Graceville provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside Peoples Bank of Graceville's control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Peoples Bank of Graceville, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

Peoples Bank of Graceville's Mobile Deposit Service ("Service") is a separate internet- based service offered by the Bank that allows you to use your smart phone to snap a photo of the check or checks you wish to deposit, transmit them electronically, and avoid having to make a trip to the Bank. The Service allows you to use your mobile device to deposit certain items into your designated deposit account ("Account") at Peoples Bank of Graceville.

This document (Agreement") defines your rights and obligations for the Service.

To use the Service, you must have a supported mobile device with a supported camera, a data plan, and download the PBOG Mobile Banking App. We do not guarantee that your particular mobile device, camera, operating system, or carrier will be compatible with the service. We assume no responsibility should you experience technical, network, or other difficulties while using the Service or any damages as a result of these difficulties.

Relationship to Online Banking Agreement. This Agreement is an addendum to your Mobile Banking Services Agreement. Your use of the Service is subject to the terms and conditions of your Online Banking Agreement (as amended from time to time) and your other agreements with us and our affiliates. Each account that you access, or through which you conduct a transaction, using the Service, remains subject to the terms and conditions of that account's Bank Account Agreement.

You agree to use the mobile deposit service to deposit checks payable directly to you. Checks payable to third parties, altered items, fraudulent or unauthorized items, substitute checks, converted checks, remotely created checks, postdated checks, and checks not payable in U.S. Currency are not permitted.

- Money Orders

- Foreign checks

Nothing in this Agreement should be construed to require Bank to accept any check or item for deposit, even if Bank has previously accepted that type of check.

Image Quality. The image of a check transmitted to Bank using the Service must be legible as determined by the sole discretion of the Bank and contain images of the front and back of the check. If a mobile deposit is rejected, you will be notified immediately and given the reason for the rejection. You agree that we shall not be liable for any damages resulting from a check's poor image quality, including those related to rejection of or the delayed or improper crediting of such a check or item, or from any inaccurate information you supply regarding the check or item.

You agree to restrictively endorse any item transmitted through the mobile deposit service as "your Name, For Mobile Deposit Only at PBOG, under your signature endorsement or as otherwise instructed by us. You agree to follow any and all other procedures and instructions for use of the mobile deposit service as the Bank may establish from time to time.

We are not responsible for checks or items we do not receive in accordance with this agreement or for images that are dropped or damaged during transmission.

Availability of Funds. You agree that items transmitted using the Service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. In general, if an image of an item you transmit through the Service is received and accepted before **3:00 pm CST** on a business day that we are open, will take up to one business day to post to your account. We reserve the right to postpone or delay the availability of funds from items deposited at our sole discretion. Please keep your paper check for 10 business days for your records or until the funds are posted to your account.

Disposal of Deposited Checks. AFTER transmitting the mobile deposit, you agree to write 'MOBILE DEPOSIT' and the transmission DATE on the front of the check and retain for at least 10 business days from the date of the image transmission. Ten business (10) days after successfully transmitting a mobile deposit, you agree to destroy or otherwise void the check. You agree never to re- present to us or any other party a check or item that has been deposited through the Service unless we notify you that the check or item will not be accepted for deposit through the Service.

Deposit Limits. All items deposited via the Service are subject to Bank review and/or approval. We reserve the right to impose limits on the amount(s) and/or number of items that you transmit using the Service and to modify such limits from time to time. The Bank may reject and/or return any item that the Bank, in its sole discretion, deems uncollectible or place a hold on your account until the item is collected. Your deposit is deemed received when posted to your account; however, receipt and posting does not deem the item readable or collectible. In the event that any item is returned by any Bank in the chain of collection, the Bank has the right to charge your account, or any account of yours at Peoples Bank of Graceville, for the item.

You are limited to \$2000 per item and \$3000 total of items per business day.

ELECTRONIC FUND TRANSFERS

YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Fund Transfers Initiated By Third Parties - You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third-party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits** - You may make arrangements for certain direct deposits (for example, from: U.S. Treasury, ABC Company, payroll deposits, retirement) to be accepted into your checking or savings.
- **Preauthorized payments** - You may make arrangements to pay certain recurring bills from your checking, savings or Savings for loan payments with this bank.
- **Electronic check conversion** - You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.
- **Electronic returned check charge** - You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

Telephone Banking transactions - types of transactions - You may access your account by telephone using your account number(s), personal identification number (PIN), social security number and touch tone phone to:

- transfer funds from checking or savings to checking or savings

- make payments from checking or savings to PBG loan accounts
- get balance information about checking, savings, certificate of deposit or PBG Loan Accounts
- get withdrawal history about checking or savings
- get deposit history about checking or savings
- get transaction history about checking, savings or Loan payments

You may access your account for telephone transactions at the following number(s) and during the following hours:

- (850)263-6067 (24/7)

PBG Visa Check Card ATM transactions - types of transactions - You may access your account(s) by ATM at ACCEL or PLUS using your PBG Visa Check Card and your personal identification number (PIN) (as applicable) to:

- withdraw cash from checking or savings
- transfer funds from checking or savings at an ATM to checking or savings at an ATM
- make payments from checking to merchants (in person, online or via phone) or other financial institutions
- get balance information about checking or savings
- **ADVISORY AGAINST ILLEGAL USE:** You agree not to use your card for illegal gambling or other illegal purposes. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Some of these services may not be available at all terminals.

PBG Visa Check Card point-of-sale transactions - types of transactions - You may access your checking account(s) using your PBG Visa Check Card to do transactions that participating merchants will accept, including:

- purchase goods in person, by phone, or online
- pay for services in person, by phone, or online
- get cash from a participating merchant or financial institution

Currency Conversion and International Transactions - When you use your VISA(R) debit card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. The fee we charge you for international transactions/currency conversions is disclosed separately. An international transaction is a transaction where the country of the merchant is outside the USA.

Advisory Against Illegal Use - You agree not to use your PBG Visa Check Card for illegal gambling or other illegal purposes. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in the jurisdiction in which you may be located.

Non-Visa Debit Transaction Processing - We have enabled non-Visa debit transaction processing. This means you may use your PBG Visa Check Card on a PIN-Debit Network* (a non-Visa network) without using a PIN.

The non-Visa debit network(s) for which such transactions are enabled are: ACCEL/Exchange Network.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your PBG Visa Check Card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa's zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to

transactions processed on a PIN-Debit Network.

* Visa Rules generally define "PIN-Debit Network" as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

PBG Online - types of transfers - You may access your accounts at peoplesgraceville.com and using your account number(s), personal identification number (PIN), social security number and Username and Password to:

- transfer funds from checking or savings to checking or savings
- make payments from checking or savings to PBG Loan Accounts

Some payments made by paper check will not be subject to this Electronic Fund Transfers disclosure, as disclosed separately. You may use the CheckFree Online Bill Pay Service to arrange bill payments to merchants you set up and authorize. Bill Pay can be accessed through the PBG Online Internet Banking website. Depending on the merchants, some of these payments will be electronic but others will be issued a paper check.

- get balance information about checking, savings, certificate of deposit or PBG Loan Accounts
- get transaction history about checking, savings, certificate of deposit or PBG Loan Account

We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if the transfer involved a Visa Check Card point-of-sale transaction and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if the transfer involved a point-of-sale transaction and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before the account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.
